Cast Glass available in Collection
Glass Colors

Cast Mineral available in Collection
Cast Mineral Colors

Lamping

UL Listed, E12 Socket
2700K
40 W Equivalent Dimmable LED Bulbs

Esca Lamp No. 1

Mixed Material

Esca, derived from the Latin word for lure or bait, are the small luminescent organs at the tip of the dorsal ray of female anglerfish. This luminous anatomy acts as a lure to attract prey.

The Esca Lamp expresses this underwater glow either through cast glass or skimming across cast mineral, much like an ocean floor. The shade and base halves are available in either material (or both in the same), creating a broad palate for curation and light play.
