Sloop Candle Holder No. 3

Sloop is a fleet of candle holding vessels in which fluid silhouettes compel the eye to travel, and candlelight skims the crests of sculptural texture. Inspired by ancient ceremonies, Sloop reminds us of floating tributes to fallen, transcending warriors. A cast bronze candle vessel that travels horizontally holding seven tea lights or votives that illuminate its densely textured surfaces.

A vertical cast bronze candle vessel, Sloop No. 3 holds five tea lights or votives.
